COMMISSIONER VOTING DISTRICTS 3 AND 4)

WHEREAS, pursuant to Neb. Rev. Stat. §§ 23-151 and 32-553 the Lancaster County Board of County Commissioners ("Board") on November 1, 2011, adopted Resolution No. R-11-0079 in the matter of approving the redistricting of the County Commissioner Voting Districts for Lancaster County, Nebraska;

WHEREAS, the Board drew its Voting District boundary lines such that voters in the 10H-5 voting precinct were placed into County Commissioner Voting District 4 ("District 4") and voters in the Grant 1 voting precinct were placed into County Commissioner Voting District 3 ("District 3");

WHEREAS, subsequent to the Board's redistricting, the City of Lincoln annexed certain portions of the Grant 1 voting precinct bordering the 10H-5 voting precinct;

WHEREAS, at the time of the redistricting and subsequent annexation there were no homes or lot lines provided by the city or developers for these portions of the 10H-5 and Grant 1 precincts;

WHEREAS, following annexation, lot lines have been established and homes have been developed within these portions of the 10H-5 and Grant 1 voting precincts;

WHEREAS, the Lancaster County Election Commissioner ("Election Commissioner") has advised the Board that some of these new homes and lot lines have been bisected by the line dividing District 3 from District 4;

WHEREAS, the Election Commissioner has advised the Board that the affected lots should be allocated between District 3 and District 4 as described in Attachment A;

WHEREAS, following publication of notice to the general public and mailing of direct notice to the owners of the affected lots, the Board conducted a public hearing on April 5, 2016, concerning this allocation of affected voters between Districts 3 and 4;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Commissioners of Lancaster County, Nebraska:

1. As set forth in Attachment A to this Resolution, the Board hereby adopts the Lancaster County Election Commissioner's recommended allocation of affected lots in the 10 H-5 and Grant 1 Precincts that are bisected by the boundary line of Lancaster County Commissioner Voting Districts 3 and 4 between those two Commissioner Voting Districts for purposes of voting in County Commissioner elections.

DATED this 12 day of April, 2016, in the County-City Building, Lincoln, Lancaster County, Nebraska.

APPROVED AS TO FORM

Lancaster Board of Commissioners

Dear Commissioners:

As you no doubt are aware, on November 1, 2011, the Lancaster County Board of County Commissioners adopted Resolution No. R-11-0079, approving the redistricting of the County Commissioner Voting Districts for Lancaster County, Nebraska. At the time, the Board drew its Voting District boundary lines such that voters in the 10H-5 voting precinct were placed into County Commissioner Voting District 4 and voters in the Grant 1 voting precinct were placed into County Commissioner Voting District 3.

Following the Board's redistricting, the City of Lincoln annexed certain portions of the Grant 1 voting precinct bordering the 10H-5 voting precinct. At the time of the redistricting and subsequent annexation there were no homes or lot lines provided by the city or developers for these portions of the 10H-5 and Grant 1 precincts. However, following annexation, lot lines have been established and homes have been developed within these portions of the 10H-5 and Grant 1 voting precincts. As a result, some of these new homes and lot lines have been bisected by the line dividing County Commissioner Voting District 3 from County Commissioner Voting District 4.

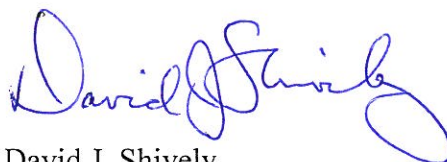

In order to clarify the correct placement of affected voters into County Commissioner Voting Districts 3 and 4, I recommend allocating affected voters along the existing boundary lines based on two concerns:

1. The primary method of allocation will be to allocate voters who are registered at an address assigned to an affected lot into the County Commissioner Voting District that covers the majority of the affected lot;
2. However, where application of the primary method results in allocating voters at a single affected lot with an address on a given street to a County Commissioner Voting District different from all other lots with addresses on that same street, then voters at that single affected address will be allocated to the same County Commissioner Voting District as all other lots with addresses on that street.

Please find attached maps showing the affected lots. The dividing line between County Commissioner Voting Districts 3 and 4 will remain the same. The line I have manually placed on the maps

represents the effect of allocating the voters between these two districts based on the two allocation methods described above.

Sincerely,
